GS1 US does makes its membership list available to organizations or companies in fields pertaining to bar coding or EDI who wish to provide information to GS1 US members advising of services or goods provided by these organizations/companies. If you do not wish to receive mailings, e-mail's, or be contacted by phone, please check the box below. If the box below is not checked, we will assume you have no objection to receiving the mailings, e-mail's or phone contact. GS1 US makes the membership list available to the Defense Logistics Information Service. They use this information as part of a public procurement cross-reference facility.

- I do not wish to receive any mailings e-mails or be contacted by phone from companies other than GS1 US**

The UCC Company Prefix is for the sole use of the applicant and is a restricted asset of the member to whom it is assigned. Any other use of the number is prohibited including, but not limited to, renting, leasing, or subdividing all or a portion of the UCC Company Prefix. Upon the sale of a division or a product line, the Sales Agreement must specify which of the parties to the transaction will have use of the UCC Company Prefix. Only one company may use the UCC Company Prefix.

Guidelines for use of the Universal Product Code (U.P.C.) and symbol and the UCC Company Prefix will be provided after the approval of the completed application.

All reasonable precautions have been taken to prevent the assignment of duplicate UCC Company Prefixes. If duplicate numbers are assigned, the liability of the UCC shall be limited to a maximum of \$500.

GS1 US will provide each member with one UCC Company Prefix. In special circumstances, a member may require more than one UCC Company Prefix. If you believe this is necessary for the applying company, please contact GS1 US.

GS1 US will NOT provide the assigned UCC Company Prefix by telephone. The UCC will provide the number to the GS1 Member Organization by fax. The GS1 Member Organization will provide the welcome letter.

Under the United States Internal Revenue Code, contributions or dues paid to GS1 US are not deductible as charitable contributions. However, they may be tax deductible as ordinary and necessary business expenses.
